#### Finance/Fundraising

- Land of Grant is this weekend. We went over final details of concessions to be served and list of volunteers to help each day.
- We discussed Skallywag tag fundraiser. We are looking at a potential date of March 13<sup>th</sup>. Possible alternate date would be April 10<sup>th</sup>. Before we book a date need to check with Scott to make sure we are not conflicting with Winter Percussion, Winter guard, or any other possible event. Missy will contact them to check date availability and get details on tickets, etc they provide. \*\*\* Missy has since reported back that they are open almost all of March and there is a \$25 booking fee.
- We reviewed Tony's brochure for Band Sponsorship. \* Note that music needs to be updated because it has changed.
- Dan had a request from Scott for approval for \$3700 for music cost for the 2010 Marching Show. Lynn Arnold motioned to approve and Teresa Bishop seconded approval.
- Dan had a request from Scott for approval for money for trees to be purchased from Bellbrook to use in show. Dan will get more info from Scott on request.
- We are planning elementary school dance on Feb 12<sup>th</sup> but have not received approval from the school yet.
- Lynn suggested holding a middle school dance at the YMCA since we cannot do it at the middle school. She will get more info and we can assess fees and potential dates.
- Little Caesar's fundraiser will go out in February at the Parent Commitment Meeting.
- Avon fundraiser - We need to check with Scott to see if we should use the avon rep he knows and get contact info for her - Deatra Godby?

#### Marching Band Sign-up for 2010

- We reviewed the Commitment form Scott wanted us to review. Like last year the BOA trip will above and beyond the normal fees and fees must be paid to attend the trip. We had a question about info stating band fees will be paid by the end of May. The schedule of fees to be paid starting with commit fee in February does not seem to add up to being paid by end of May. There was also confusion over the wording on the \$50 last fee payment being taken off by working 2 events and Invitational. Fees are to be paid by May/June and some events, including invitational are later in the year. Dan will discuss with Scott.
