- Second night Skyline Fundraiser will be Tuesday June 1st. The first night was a success with \$400 being raised by the students in attendance. This money was divided and applied toward fees for students who participated. Dan will send an email out closer to the June date to see if any students would like the opportunity before opening it up to students who already signed up.
- May general fund fundraiser – middle school dance at YMCA Sat May 15th 6:30-8:30. We will sell concessions as well as suggestion to sell glow bracelets, necklaces and possible shout-outs or dedications during dance.
- Band Sponsorship Brochure is available on the website in pdf. We need to get this out to any local businesses who may be interested in sponsorship. Lynn and Sandy will track sponsorship levels so that we can make sure sponsors get the benefits promised for their level of sponsorship. A list of businesses already contacted/giving is on the website and was passed around to solicit parents to contact a business.
